## Principal's Notes

Our school year is off to a wonderful start. As I walk through the halls I hear teachers passing knowledge to our students. I hear students asking and answering questions. I hear singing, laughter, happiness and joy!

Our Open House was a great success; I was pleased to see so many of our parents and grandparents in attendance.

Parents, I encourage you to keep the communication door open with your child's teacher. If you have any concerns or questions about your child, please communicate with them directly. Visit our website often, we are always updating and adding new information to help keep you informed. We also add information regularly to our Facebook page.

I would like to invite you all to attend mass with us every Friday.

## OLOF Events

We had a great week full of exciting activities. Thank you everyone who participated in College Spirit Day! We had future Cougars, Aggies, Longhorns, Tigers, Bears and much, much more. We also had an exciting speech from our very own Father Clint. He came and spoke to some of our students about his hike across the Grand Canyon! All the students who listened to his speech were excited to hear all about his adventure and his accomplishment!

## New Teacher Profile: Meet Mr. Luis Herrera!

Mr. Herrera is our new 2<sup>nd</sup> grade teacher. We are so please to have Mr. Herrera on our campus. He is a positive, smart and energetic teacher. Mr. Herrera was born in Brownsville, but was raised in Texas City. He is a graduate of U of H, Go Coogs! Mr. Herrera loves spending time with his family, spending time outdoors, going to the park with his dogs and playing sand volleyball with his sister. If you see Mr. Herrera on campus, be sure and welcome him to the OLOF family.
